Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on March 1, 2010, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): There is a second version of "claim 1" on page 9 of the reply between claims 48 and 49, which does not comply with the amendment format as set forth in 37 C.F.R. § 1.121.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

If Applicants should amend the claims, a complete and responsive reply will clearly identify where support can be found in the disclosure for each amendment. Applicants should point to the page and line numbers of the application corresponding to each amendment, and provide any statements that might help to identify support for the claimed invention (e.g., if the amendment is not supported in *ipsis verbis*, clarification on the record may be helpful). Should Applicants present new claims, Applicants should clearly identify where support can be found in the disclosure.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Jeff Lundgren whose telephone number is 571-272-5541. The Examiner can normally be reached from 7:00 AM to 5:30 PM.

If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's supervisor, Joanne Hama, can be reached on 571-272-2911. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
